

The **Terminator U** by **HCi**, is a 150 lb ANSI flange union adaptor. These adaptors are available with Grooved or Weld end connections. Rigid adherence to tight quality control standards insure that all flange union adaptors make the grade even in the most demanding services.

The **Terminator U** can be installed effectively in a vertical or horizontal pipeline. Raised-face flange comes standard (3) accessory tapings. It is generally acceptable to thread brass accessories in the steel flange. The accessory ports are welded half couplings. The 1/4", 1/2" and 3/4" porting option can be placed at any (4) clock positions: 12:00, 3:00, 6:00 & 9:00.

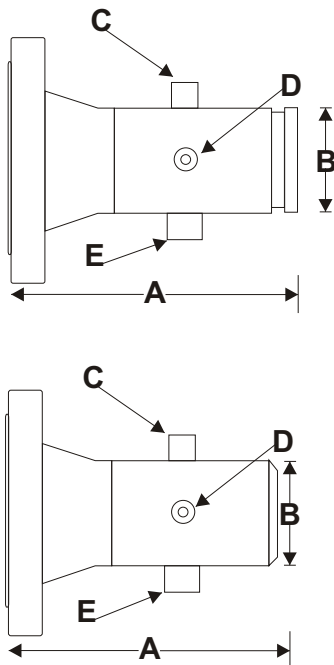

Pressure/ Temperature Ratings:

2-1/2"-12": 200 PSI WOG Non - Shock
All Sizes: 225 Deg. F. Maximum

Optional Accessories:

- Drain Valve - Air Vent - PT/Port Accessory/Extension
- Pressure/Temperature Port - Pressure/Temperature Gauges
