

ORDERING *Terminator* COMPONENTS

Note: When ordering components, Body Type & Tailpiece Type refer to specific valve ordered, with no reference to supply or return pipe.

*TB	-	B	F	RM_	-	V_
1st & 2nd Digits Component Type		3rd Digit Size	4th Digit Body Type	5th and/or 6th & 7th Digit TailpieceType		8th and/or 9th Digit Options
NT - New Terminator (Ball valve, union & P/T readout port)		A - 1/2"	F - Female NPT	F - Female NPT		X - Extended Handle & Ext. P/T Port
		B - 3/4"	C - Copper Swt	M - Male NPT		V - Manual Air Vent
		C - 1"	M - Male NPT (Terminator U only)	C - Copper Swt		Q - Drain
TU - Terminator U (Union & P/T readout port)		D - 1-1/4"		RF - Reduced Female NPT		O - Omit PT Port
		E - 1-1/2"		RM - Reduced Male NPT		M - Memory Stop
TS - Terminator S (Ball valve, strainer, union & P/t readout port w/ back flush feature)		F - 2"		RC - Reduced Copper Swt		A - Automatic Air Vent
				2RF - Double Reduced Female NPT		XH - Ext. Handle Only
				2RM - Double Reduced Male NPT		XP - Ext. P/T Only
				2RC - Double Reduced Copper Swt		
TY - Terminator Y (Ball valve, strainer, union & P/t readout port)						
TA - Terminator A (Automatic balance valve, union & P/T readout port)						
TB - Terminator B (Balance valve, union & P/T readout port)						

(See individual product specification sheet for option compatibilities)

*** Example - Listed is 3/4" Terminator B w/ 3/4" female NPT outlet and 1/2" male NPT tailpiece inlet, equipped with optional manual air vent.**

**** Tailpiece with one size reduction available on product sizes 3/4" thru 2".**

***** Tailpiece with double size reduction available on product sizes 1" thru 2".**
